

# Specialty Keyboards & Mice For medical environments

convergent® | innovative  
medical

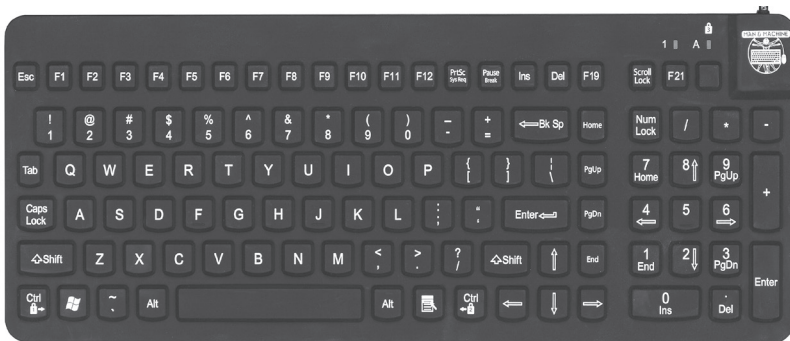

**Washable and Medical Grade Keyboards.** Looking for keyboards that stand up to the rigors of constant, every day use and abuse? Our **waterproof, durable and cleanable** keyboards stand up to liquids, chemicals and contaminants. Perfect for hospitals, medical offices or dental clinics who are looking for value and quality and can withstand anti-microbial disinfectants. Options include wireless, back-lights, magnets (to avoid Velcro) and custom cable lengths.

✓ Stands up to daily chemical cleaning

✓ Backlit feature for dark rooms

✓ Value-Line washable keyboards with “real feel” clickable keys (available in black or white)

✓ Protective Drapes for easy cleaning (optional)

# Specialty Keyboards & Mice

## For medical environments

convergent® | innovative
