

Avalo® Medical Carts:

A generation beyond the
“metal tool box”

convergent® | innovative
medical

Carts with **improved aesthetics** that will not dent or corrode. Designed for enhanced infection control with **features to improve workflow** in any unit. Built for the 24/7/365 demands of healthcare while staying **competitively priced**.

Features & Benefits

✓ Patented Locking System

- Only **lock the drawer(s)** that need to be locked. Wide range of combinations e.g. top-only, bottom-only, etc.
- **Reconfigure** which drawers “lock” when workflow changes by using simple tools with minimal time needed.
- **SecureCatch™** secures drawer within 1” of being fully closed.

✓ Drawers to Fit Your Workspace

- **Open fully** to allow access to the rear of the drawer.
- **Stay closed** when the cart is in motion.
- **Height configurations** 3”, 6”, or 9” in any combination and sequence needed.
- **Integrated flexible divider system** to suit custom workflow.
- **Aesthetically** will not dent or corrode.

✓ Durability & Engineering

- **Welded tubular steel base & jig-assembled frame** so drawers don’t bind, for the life of the cart.
- **Precision casters** keep it rolling smoothly, quietly. Lock tabs are easy to lock and unlock.
- **Color-thru HDPE body panels** means scratches are hidden and no touch up is needed like with metal carts.
- **10-Year Mechanical Warranty** to back it up with confidence.

✓ Stability & Infection Control

- **Proprietary ‘pyramid’ shape** positions the casters at corners for greatest stability over thresholds and transition strips.
- **Easy access to caster lock tabs** for lock and/or steering control.
- **No external bumpers** improve infection control and aesthetics.
- **Infection control** with easy to-wipe HDPE body panels and seamless drawer design.
